

“Wrap your dreams™ in PREMIER cedar products”

Our philosophy at Premier Forest Products, Inc. is to invest in long-term business relationships by providing premium quality products, fair pricing and customer loyalty, along with new and innovative products and services tailored for our business partners.

For over 35 years, we have specialized in manufacturing a wide range of premium cedar products for our customers worldwide.

We are committed to meeting the needs of our customers and take pride in the consistent quality of our product line. You can count on us to exceed your cedar expectations!

Premier Forest Products, Inc. (formerly J&J Forest Products, Inc.) is located on the Olympic Peninsula in Washington State and recently opened its third cedar manufacturing facility.
